

Dogs Welcome

Dog Friendly Attractions

Glenwhan Gardens and Arboretum

Glenwhan Gardens and Arboretum warmly welcome dogs but they must be kept on a lead during the walk. Dogs are allowed in all areas of the gardens, stretching nearly 30 acres, offering lovely views over Luce Bay, Mull of Galloway and Isle of Man. There are water bowls in the gardens for your thirsty companions, and a café with dog friendly outside seating.

Threave Gardens

Take a stroll through the secret garden, rockery and walled garden. At the centre of the estate stands the 19th-century Threave House. The wider estate includes the UK's only bat reserve and an osprey viewing platform.

There is a well-stocked gift shop and plant centre with rare and Threave-grown plants for sale. Make time to enjoy home-made soups and sweet treats in our cafés.

Dogs welcome throughout the Gardens & cafe but must be kept on a lead.

Dog Friendly Walks

Sandgreen Beach

Right on your doorstep we have a lovely beach with lots of things to do from just a simple walk to going for a swim or kayaking. Perfect for all the family and your dog of course! We do however ask that dogs are kept on a lead during busy times (8am – 9pm) this is because the beach can get busy with people doing a range of activities.

Galloway Forest Park

Perfect for a nice walk with your dog taking in the scenery, there are several different walks you can go on in the park. Raiders Road is a favourite with a lovely walk and picnic area surrounded by lovely views. Kirroughtree, home of the red squirrel hides, and Clatteringshaws, where you can find Bruce's Stone, are also lovely walks.
