

Sandgreen Caravan Park 2025/26

Hire Fleet Newsletter

As we are nearing the end of another wonderful hire season at Sandgreen Caravan Park, we wanted to stay in touch with you, as you have stayed with us previously, to let you know some of the very exciting changes we made to our Hire Fleet during the 2025 season, and with some information looking ahead to the new 2026 season.

Holiday Hire Caravans

We introduced our five new Holiday Caravans sited in “Boreland View” this season, ideally positioned to provide breathtaking views across the picturesque Boreland of Girthon farmland. These brand-new units combine contemporary comfort with panoramic scenery, offering guests the chance to unwind while watching the changing light sweep over rolling fields and grazing livestock!

As some of you will know, we upgrade our Hire Fleet every few years to ensure we continue to offer our customers top of the range, stunning units to holiday in.

This year, we are saying goodbye to our two hire caravans, Bladnoch and Nith on Pitches 107 and 123, as they provide years' worth of happy holidays as privately owned caravans.

The Wee Yin

At the start of the 2025 season, we also proudly unveiled “The Wee Yin”, our luxury mini-lodge, as a new addition to the hire fleet. Its debut has been met with such enthusiasm and customer feedback has been 100% glowing, with bookings remaining strong throughout the season. The Wee Yin has quickly established itself as a guest favourite, offering an intimate yet indulgent retreat for those seeking something a little special during their stay.

Sandgreen Caravan Park Wins “Caravan Park of the Year” 2025/26

We are delighted to announce that for two consecutive years, Sandgreen Caravan Park has been named “Caravan Park of the Year” by the Prestige Awards!

This outstanding recognition reflects not only our commitment to excellence but also the efforts of our entire team and the loyalty of our valued guests!

We look forward to welcoming both familiar faces and new visitors to Sandgreen, as we continue to provide an exceptional holiday experience on Scotland’s stunning Solway coast.

The Past Year in Reviews

"The location of this caravan park is fabulous. Rolling hills on one side and right next to the sea. The private beach is very clean and safe for swimmers and kayakers. The staff on site are very friendly and helpful. If you're lucky enough to get a clear night, the stars are amazing – I'm already looking forward to next year's holiday at Sandgreen!"

"Loved our stay at The Wee Yin. Weather was amazing which was a bonus. Staff were very friendly on arrival. Showed us around and made us feel very welcome. The views were spectacular. We know the area well, love Gatehouse of Fleet and surrounding area. We will definitely return."

"We have been coming here for the past 8 years and have been greeted by very friendly staff and the accommodation has been spotless every time. Very quiet and peaceful site with a beautiful beach."
