

2026 Park Rules

Please read these rules and regulations and keep them in a safe place and remember to show them to all visitors to your caravan or lodge. Whilst every reasonable effort has been made to identify and minimise any risk to visitors to Sandgreen Caravan Park of injury to themselves or damage to their property, all visitors should be aware of maintaining both their own health and safety in and around the park and that of others. Please report any breaches of these rules to the office. Please note these rules form part of your Licence Agreement and continued breach of these rules will result in you losing the right to keep your holiday caravan or lodge on Sandgreen. Where the word holiday caravan is used this applies to Static Caravans, Twin Units, Single Lodges and Timber Lodges also.
