## 2026 New Season Newsletter

---

### **Happy New Year to you all!**

We hope you enjoyed a lovely festive season and are feeling refreshed as we head towards spring.

Winter has certainly kept us on our toes here at Sandgreen. Alongside our usual off-season maintenance and upkeep, we've been busy developing pitches, siting some beautiful new caravans, and weathering the wet and windy months that winter always brings. Thankfully, the first signs of spring are already popping up – bulbs pushing through, days stretching out, and that familiar feeling that the new season is just around the corner.

With the countdown now on to reopening, we wanted to share a winter update, a few important reminders, and a glimpse of what's ahead for the 2026 season.

### **Supporting Our Local Community**

We're proud to continue supporting and collaborating with a number of local initiatives that mean a great deal to us – including **Galloway & Southern Ayrshire UNESCO Biosphere**, **Play It Green**, and **Gatehouse of Fleet Primary School**.

These partnerships reflect our ongoing commitment to sustainability, education and the local community – values that sit at the heart of Sandgreen.

### Gatehouse of Fleet Primary School Sponsorship

We were delighted to recently sponsor a brand-new sports kit for Gatehouse of Fleet Primary School. While it will proudly be worn by the school football team, it will also support wider sporting activities across the school, encouraging participation, teamwork and confidence. We're very much looking forward to continuing our support in the years ahead.

### Play It Green – Our 2025 Impact

Since partnering with Play It Green in 2022, they've helped us reduce our carbon footprint, support sustainability across the park, and make our workforce Climate Positive.

We're delighted to share what we achieved together in 2025:

- 500 trees planted
- 55 tonnes of CO<sub>2</sub> reduced
- £124.50 donated to Sea Shepherd.

To put that into perspective, this impact is equivalent to:

- Removing 176 cars from the road
- Offsetting 1,994 short-haul flights
- Covering the annual energy use of 74 homes

Small actions really do add up!

## **Reconnection Reminder – Please Plan Ahead**

If you've asked us to carry out your reconnection, please let us know your return date **as early as possible**. We require a minimum of one week's notice to guarantee reconnection before arrival.

Reconnections are particularly busy this year and we're already fully booked until **5<sup>th</sup> March**, with limited availability up to **8<sup>th</sup> March**. Once your reconnection is complete, we'll confirm by email.

If you're reconnecting yourself, please take care – and if you encounter any issues, let Reception know and we'll help as soon as we can. Until spring temperatures settle, we strongly recommend draining down after each visit to help avoid weather-related damage (March can be unpredictable).

## **Give Your Holiday Home the Best Start to 2026**

It's not too late to take advantage of our **discounted maintenance packages**, all carried out at reconnection – so everything's ready for your return. Save £'s by booking a package. Please contact Reception if you'd like to book.

## **Opening Up Service – Arrive to Warmth & Comfort**

Why not start your season in comfort? Our **Opening Up Service** includes:

- ✓ Heating switched on
- ✓ Water turned on
- ✓ Lights on

So, you arrive to a warm, welcoming holiday home.

Cost £28.80 (inc. VAT) – booking required in advance.

Please note: this is a not a reconnection service and can only be carried out once your holiday home is reconnected.

## **Legionella Safety – Important Spring Reminder**

After periods of non-use, standing water can pose a Legionella risk. On your return, please ensure you:

- Flush the full water system for at least 2 minutes
- Run all taps (hot & cold)
- Flush toilets
- Run showers and disinfect showerheads
- Repeat for any other taps

Regular showerhead disinfection (around four times a year) is recommended.

## **Boat Registration – Please Don’t Forget**

All boats **must be registered** before being brought onto the Park. We require:

- ✓ A completed registration form
- ✓ Copy of valid insurance
- ✓ Registration fee payment

Only then can a beach gate key and sticker be issued. Please also ensure your pitch number is clearly displayed.

Unregistered boats will be invoiced following routine park inspections.

Kayaks, canoes and small craft up to 10ft are exempt from the fee but still require registration for safety.

## **Sandgreen Boat Owners Loyalty Club**

Following the success of our Boat Loyalty Scheme, we’re delighted to continue it for a third year.

If you’ve registered your boat with us for the last three seasons, you may be eligible for VIP benefits throughout 2026. If you think this applies to you – or would like more information, please get in touch with Reception.
